The cockpit is fitted with a lounge area, a sunbed, wet bar, and a helm station equipped with double seats. The lounge area could be enclosed with a retractable glass door. Wide side decks allow easy access to the bow, which houses an additional leisure area.

Galeon 445 HTS 'MY JOY' also comes equipped with a hydraulic garage and platform, perfect for storing water toys such as tender and jet ski. Guests can relax at the bow leisure area, which includes a protective bimini, or enjoy the cockpit sunbed shaded by an automatic marquee system.

Below deck, the Galeon 445 HTS benefits from an abundance of natural light, thanks to the large glass ceiling above the helm and the ample skylights at the bow. The master cabin, located midship, features an en suite bathroom, while the guest cabin at the bow connects directly to shared spaces, including a galley, lounge, and an additional bathroom on board Galeon 445 HTS.

Powered by twin Volvo Penta D6-370 DPH, Galeon 445 HTS has 713 engine hours.
